

WILLIAMS CITY WIDE CLEAN UP

This is free to the residents and property owners of Williams and a great opportunity to dispose of any junk you may have lying around your properties!

LOUK METAL SALVAGE will be accepting scrap metal, appliances, electronics, televisions, and will even purchase your junk cars! You can stop by his trailer the day of the event or call Chris at 515-297-2357 to make arrangements for junk cars. There will be a \$10 fee for disposal of televisions and computer monitors.

Volunteers will be available to assist those unable to get their items to the drop off location! Please contact Mayor Dave Seiser if you are in need of this service at 641-485-2956.

We hope everyone takes advantage of this opportunity. Please call City Hall with any questions at 515-854-2260. Leave a message if I am out of the office and I will get back to you.
